v.71

Municipal and County Engineering INDEX

VOLUME LXXI JULY—DECEMBER, 1926

A 148,000-yd. Substructure, by Frank W. Skinner 340
Accidents, Cutting, 45 Per Cent in Cement Industry 63
Accidents, Preventing Increase in Auto..... 231
Accounting Methods for Water Works, by Harold D. Smith..... 11
Administration and Progress, General Highway, by Wm. M. Jardine..... 313
Administration, Notes on State Highway Organization and, by Robert N. Waid..... 106
Advertising, Argument Against Roadside..... 196
Air Drying of Sewage Sludge on Glass Covered Sand Beds, by Floyd G. Brown and Frank Woodbury Jones 38
Akron, Ohio—Street Pavement Design in, by E. A. Kemmler..... 148
Alabama's Road Problem..... 326
American Construction Council, by Franklin D. Roosevelt 325
American Road Builders' Association, Convention and Road Show of..... 343
Asphalt Mixtures, Hydrated Lime as Filler in.. 341
Asphalt Pavement Research, Recent Development in, by Prevost Hubbard..... 61
Auto Accidents, Preventing Increase in..... 231
Automatic Hydroelectric Station, Largest..... 375
Automatic Pumping Equipment at Grade Separations 63
Automobile and Superpower Forecast New Economic Era, by General Guy E. Tripp... 190

Bidding, One Cause for Present Low, by A. E. Horst 371
Binder Materials for Gravel and Stone Roads, by C. L. McKesson..... 320
Bituminous Macadam and Surface Treatment Road Work in Indiana, by Earl B. Lockridge 134
Bituminous Macadam Pavements, Causes of Success and Failure of, by Geo. H. Henderson 275
"Black Base" and Its Place in Standard Specifications, by Hugh W. Skidmore..... 295
Bond Issue Suggested, Federal Road..... 127
Bonds, A Criticism and a Suggestion, Validating Texas Road, by Wm. R. Watkins..... 21
Bonds, Merit Rating Plan on Contract..... 191
Brick Pavements, Thin, Studied, by L. W. Teller 232
Brick Shipments, Paving..... 38
Bridge Contractor, Value of Organization to a, by Robert H. King..... 368
Bridge Floors, Concrete vs. Timber for Highway, by O. L. Grover..... 364
Buffalo, N. Y., New Water Filters at, by Wellington Donaldson 187
Buffalo, Recreation Survey of..... 264
Bus and Track Regulation in Iowa, by Dwight Lewis 76
Bus Supplementing Trolley Car..... 20
Business Areas Should be Limited to What Extent? by Geo. H. Coffin, Jr..... 248

California, Experience with Various Types of Paving in, by C. S. Pope..... 347
California, Highway Research in, by R. M. Morton 73
California, Pavement Reconstruction Studies in, by C. S. Pope..... 223
California, Welded Pipe Line Construction, Oakland, by John B. Abell..... 28
Causes of Success and Failure of Bituminous Macadam Pavements, by Geo. H. Henderson 275
Cement Industry, Cutting Accidents 45 per cent in 63
Cement Testing in Wisconsin, by T. J. Vitcenda 197
Chicago, Electrification of Illinois Central Railroad at, by C. M. Ripley..... 70
Chicago Pavement Design, Engineers Report on 184
Chicago, Sewage Treatment Program at, by Langdon, Pearse 118
Chicago, Sewage Works Design at, by L. C. Whittemore 137
Chicago, State Street Lighting..... 215
Chicago, Street Lighting Units for..... 128
City Plan, The Railway and the, C. F. Loweth 256
Chlorination of Sewage, by Earle B. Phelps... 23
City Type Pavement on Rural Highways, by Henry Brevoort Smith..... 345
Clean Rivers for Michigan..... 128
Code for Engineers, Suggested Practice..... 244
Concrete by Water Cement Ratio, Proportioning, by W. C. Mabee..... 32
Concrete Highway Paving, Cost of Subgrade Preparation, Mixing, Laying, Finishing, by L. F. Collingnon..... 327
Concrete Hotel, Moving Six-story Reinforced,.. 83
Concrete, Job Control in, by Roderick B. Young 192
Concrete Mixer Patent Upheld, Pneumatic,.... 21
Concrete Pipe, South Carolina Tests on Reinforced, by A. E. Warren..... 144
Concrete Road Construction, Efficiency in, by J. L. Harrison..... 358
Concrete Roads, Design of, by H. E. Surman.. 261
Concrete, Surface Cracks in Green, by T. J. Vitcenda 69
Concrete vs. Timber for Highway Bridge Floors, by O. L. Grover..... 364
Congress, Conclusions Adopted by International Road 237
Construction Details Essential to Effective Hot Mix Pavements, by Francis P. Smith..... 282
Construction, Efficiency in Concrete Road, by J. L. Harrison..... 358
Construction of Largest Sewer in Greater New York, by Frank W. Skinner..... 150
Construction, Oakland, California, Welded Pipe Line, by John B. Abell..... 28
Construct on, Use of Lime in, by J. S. Elwell.. 35
Contract Bonds, Merit Rating Plan on..... 191
Contract Letting and Cannibalism..... 48
Contract Working Time and Liquidated Damages 292
Contractor, Bridge, Value of Organization to a, by Robert H. King..... 368
Contracts, The Winter Letting of, by Fred Cunningham 370
Convention and Road Show of American Road Builders' Association, ... 343
Coorodinating Railway and Highway Transportation, by Frank H. Alfred..... 140
Cost of Subgrade Preparation Mixing, Laying, Finishing Concrete Highway Paving, by L. F. Collingnon 327
Costs, Repair, of Rural Pavements, by Frank A. Thomas 288
Council, Statement by American Construction, by Franklin D. Roosevelt..... 325
Country Life, Highways and..... 106
Country Road Programs, Need for Comprehensive, by J. J. Ermatinger..... 166
Crossings, Grade, Elimination Plans in Wisconsin, by J. T. Donoghey..... 227
Crossings in New York, Elimination of Railroad Grade by Alfred E. Smith..... 178
Culture versus Engineering Education, by G. S. Wykoff..... 225

Culverts, Flow of Water Through..... 25
Customer, The Utility, by G. C. Staley..... 303

Damages, Contract Working Time and Liquidated 292
Design of Concrete Roads, by H. E. Surman... 261
Design, Safety Considerations in Highway, by Sidney J. Williams..... 85
Details, Construction, Essential to Effective Hot Mix Pavements, by Francis P. Smith.. 282
Development of Improved Highways, Thomas H. MacDonald 87
Development of Water Resources, National Policy in, by Herbert Hoover..... 251
Development of Water Supply at Tonganoxie, Kansas, by C. A. Shockley..... 324
Developments in Methods of Sewage Disposal, by C. C. Gillespie..... 169
Diesel Engine Power, Economy of..... 46
Diesel Power Appliances, The General Phases of, by R. H. Bacon..... 129
Dust Prevention on Gravel Roads in Middle West, by N. M. Isabella..... 80

Earth Roads in Kansas, Modified, by W. A. Stacey 46
Economic Era. Automobile and Superpower Forecast New, by General Guy E. Tripp.... 190
Economics of Salvaging Old Pavements, by R. Keith Compton..... 279
Economy of Diesel Engine Power..... 46
Economy of Snow Removal from Highways, by W. A. Van Duzer..... 273
Education, Engineering, Culture versus, by G. S. Wykoff..... 225
Efficiency in Concrete Road Construction, by J. L. Harrison..... 358
Electrification of Illinois Central Railroad at Chicago, by C. M. Ripley..... 70
Elimination of Railroad Grade Crossings in New York, by Alfred E. Smith..... 178
Engine, Cleaning Oil Reservoir of Gasoline, by G. S. Hamilton..... 62
Engine Power, Economy of Diesel..... 46
Engineer in Politics, The, by Geo. H. Dern... 325
Engineers Decide to do Something About it.. 122
Engineering Education, Culture versus, by G. S. Wykoff 225
Engineers, Suggested Practice Code for..... 244
Equipment at Grade Separation, Automatic Pumping 63
Excavation, A 148,000 yd. Substructure, by Hugh W. Skinner..... 340
Experimental Sand-Clay Road in Michigan, by A. R. Bailey..... 53
Experience with Various Types of Paving in California, by C. S. Pope..... 347
Engineers Report on Chicago Pavement Design 184

Features of New Water Filters at New Orleans, by John L. Porter..... 216
Federal Highway Aid, In Support of..... 152
Federal Road Bond Issue Suggested..... 127
Filters, New Water, at Buffalo, N. Y., by Wellington Donaldson 187
Filters, Water, At New Orleans, Features of New, by John L. Porter..... 216
Finance in New Jersey, Studying Highway.... 193
Financing Water Works Projects, by C. N. Phillips 162
Florida Street Lighting..... 64
Flow of Water Through Culverts..... 25
Fuel in The Water Works Plant, Use of Pulverized, by Chas. S. Denman..... 181

Gasoline Engine, Cleaning Oil Reservoir of, by G. S. Hamilton..... 62
Gasoline Tax Refunds Pertaining to Road Contractors, by A. N. Bobbitt..... 373
General Highway Maintenance Problems in Indiana, by A. H. Hinkle..... 261
Grade Crossing Elimination Plans in Wisconsin, by J. T. Donoghey..... 227
Gravel and Stone Roads, Binder Materials for, by C. L. McKesson..... 320
Gravel Road Construction, Stone and, by J. W. Hoover 115
Gravel Roads in Middle West, Dust Prevention on, by N. M. Isabella..... 80
Gravel Roads in Wisconsin, Maintenance of, by N. M. Isabella..... 5
Gravel Roads, Surface Treatment of Macadam and, by John N. Mackall..... 1

Highway Administration and Progress, General, Wm. M. Jardine..... 313
Highway Aid, In Support of Federal..... 152
Highway Finance in New Jersey, Studying.... 193
Highway Design, Safety Considerations in, by Sidney J. Williams..... 85
Highway Lighting Considered in Ohio..... 127
Highway Maintenance Problems in Indiana, General, by A. H. Hinkle..... 261
Highway Organization and Administration, Notes on, by Robert N. Waid..... 106
Highway Research in California, by R. M. Morton 73
Highway Research in Illinois, Recent Results of, by V. L. Glover..... 50
Highway Research in Iowa, Results of, by R. W. Crum 58
Highway Research in Michigan, by V. R. Burton 342
Highway Research in New Jersey, by G. Roland Moore 75
Highway Research in Texas, by Doak Rainey. 72
Highway Systems, Planning State, by J. G. McKay 328
Highway Transportation, Co-ordinating Railway and, by Frank H. Alfred..... 140
Highwayman, The New, by Glenn Frank..... 196
Highways and Country Life..... 106
Highways, City Type Pavement on Rural, by Henry Brevoort Smith..... 345
Highways, Development of Improved, by Thomas H. MacDonald..... 87
Highways, Economy of Snow Removal From, by W. A. Van Duzer..... 273
Highways for Safety, Building, by Prof. S. S. Steinberg 209
Highways in Five States, Impressions of, by J. F. Seiler..... 300
Highways, The Need for More, by L. I. Hewes 356
Highways, The Story of Two Old, by Leroy F. Wertz 286
Hot Application Method, Surface Treatment, by N. S. Anderson..... 267
Hudson Tunnel Users, Super-Safety Protection for 294
Hydrated Lime as Filler in Asphalt Mixtures. 341
Hydroelectric Station, Largest Automatic..... 375

Illinois Central Railroad at Chicago, Electrification of, by C. M. Ripley..... 70
Illinois, Recent Results of Highway Research in, by V. L. Glover..... 50
Improvements, Officials to Discuss Road and Street 198
Increasing Use of Playgrounds..... 62
Indiana, General Highway Maintenance Problems in, by A. H. Hinkle..... 261
Indiana, Bituminous Macadam and Surface Treatment Road Work in, by Earl B. Lockridge 131
Indiana Tax Plan, The Practical Workings of the, by Philip Zoercher..... 91
In Support of Federal Highway Aid..... 152
Influence of Motor Bus on Land Values, by C. W. Courtney 220
Investigations of Stream Pollution, by W. H. Frost 15
Iowa, Bus and Truck Regulation in, by Dwight Lewis 76
Iowa, Results of Highway Research in, by R. W. Crum 58

Job Control in Concrete, by Roderick G. Young 192

Kansas, Development of Water Supply at Tonganoxie, by G. A. Shockley..... 324
Kansas, Modified Earth Roads in, by W. A. Stacey 46

Lake Erie as a Public Water Supply, by Howell Wright 211
Land Reclamation in Texas..... 126
Land Values, Influence of Motor Bus on, by C. W. Courtney 220
Largest Automatic Hydroelectric Station..... 375
Legislation, Trend of Motor Vehicle, by Russell Huffman 112
Lighting, Ornamental Street 128
Lighting, State Street, Chicago..... 215
Lighting, Street, Pays for Itself, by L. A. S. Wood 202
Lighting Units for Chicago, Street..... 128
Lights, Improvement in Traffic..... 61
Lime, Hydrated, As Filler in Asphalt Mixtures 341
Lime in Construction, Use of, by J. S. Elwell.. 55
Lime in Earth Roads, Use of, by H. W. Wood, Jr. 104
Lindell Boulevard, St. Louis, A Remarkable Paving Experience 65

Macadam and Gravel Roads, Surface Treatment of, by John N. Mackall..... 1
Macadam and Surface Treatment Road Work in Indiana, Bituminous, by Earl B. Lockridge 134
Macadam Pavements, Causes of Success and Failure of Bituminous, by Geo. H. Henderson 275
enance of Gravel Roads in Wisconsin, N. M. Isabello 5
ntenance Problems in Indiana, General Highway, by A. H. Hinkle..... 264
Markets, Roadside 126
Markings to Direct Traffic, Using Pavement... 200
Materials, Binder, for Gravel and Stone Roads, by C. L. McKesson..... 320
Merit Rating Plan on Contract Bonds..... 191
Michigan, Clean Rivers for..... 128
Michigan, Experimental Sand Clay Road in, by A. R. Bailey..... 33
Michigan, Highway Research in, by V. R. Burton 342
Modified Earth Roads in Kansas, by W. A. Stacey 46
Motor Bus, Influence of, on Land Values, by C. W. Courtney..... 220
Motor Revenues, New York Municipalities and 195
Motor Vehicle Legislation, Trend of, by Russell Huffman 112
Motoring on Summer Sundays..... 125
Moving Six-Story Reinforced Concrete Hotel... 83
Municipalities and Motor Revenues, New York 195

National Policy in Development of Water Resources, by Herbert Hoover..... 251
Need of Comprehensive County Road Programs, J. J. Ermatinger..... 166
New Feature of Water Purification Practiced in Ohio, by F. H. Waring..... 308
New Jersey, Highway Research in, by G. Roland Moore 75
New Jersey Sewage Experiments, Practical Application of, by Weston Gavett and Richard H. Gould 43
New Jersey, Studying Highway Finance in, by 193
New Orleans, Features of New Water Filters at, by John L. Porter..... 216
New Rochelle, N. Y., Sewage Plant at..... 80
New System of Police Signals..... 64
New Water Filters at Buffalo, N. Y., by Wellington Donaldson 187
New York, Construction of Largest Sewer in Greater, by Frank W. Skinner..... 150
New York, Elimination of Railroad Grade Crossings in, by Alfred E. Smith..... 178
New York Municipalities and Motor Revenues 195
New York, Sewage Plant at New Rochelle... 80
North Carolina, Results of Five Years of State Road Building in, by Frank Page..... 332
North Carolina Road Test Truck, by H. B. Shaw 68

Oakland, California, Welded Pipe Line Construction, by John B. Abell..... 28
Ohio, Highway Lighting Considered in..... 127
Ohio, New Features of Water Purification Practice in, by F. H. Waring..... 308
Ohio, Soil Research in, by F. H. Eno..... 10
Ohio, Street Pavement Design in Akron, E. A. Kemmler 148
Ohio's Highway Crosses..... 376
Oil Reservoir of Gasoline Engine, Cleaning, by G. S. Hamilton 62
One for the Book..... 127
Organization, Value of, to a Bridge Contractor, by Robert H. King..... 368

Patent Upheld, Pneumatic Concrete Mixer.... 21
Pavement Design, Engineer's Report on Chicago 184
Pavement Design in Akron, Ohio, Street, by E. A. Kemmler 148
Pavement Markings to Direct Traffic, Using.. 200
Pavement on Rural Highways, City Type, by Henry Brevoort Smith..... 345
Pavement Reconstruction Studies in California, by C. S. Pope..... 223
Pavements, Causes of Success and Failure of Bituminous Macadam, by Geo. H. Henderson 272
Pavements, Construction Details Essential to Effective Hot Mix, by Francis P. Smith..... 282
Pavements, Economics of Salvaging Old, by R. Keith Compton..... 279
Pavements, Repair Costs of Rural, by Frank A. Thomas 288
Pavements Studied, Thin Brick, by L. W. Teller 232
Paving Brick Shipments..... 38
Paving, Cost of Subgrade Preparation, Mixing, Laying, Finishing Concrete Highway, by L. F. Collingnon 327
Paving Experience, Lindell Boulevard, St. Louis, A Remarkable..... 65
Paving in California, Experience With Various Types of, by C. S. Pope..... 347
Pipe Line Construction, Oakland, California, Welded, by John B. Abell..... 28
Pipe, South Carolina Tests on Reinforced Concrete, by A. E. Warren..... 144
Planning State Highway Systems, by J. G. McKay 328
Plans for 1927 Road Show..... 139
Playgrounds, Increasing Use of..... 62
Pneumatic Concrete Mixer Patent Upheld..... 21
Police Signals, New System of,..... 64
Policy, National, in Development of Water Resources, by Herbert Hoover..... 251
Pollution, Investigations of Stream, by W. H. Frost 15
Popularize Traffic Regulation..... 222
Portland Cement Association, Annual Meeting of 322
Portland Cement Association Appointments... 215
Power Appliances, The General Phases of Diesel, by R. H. Bacon..... 129
Power, Economy of Diesel Engine..... 46
Power Plant, Use of Pulverized Fuel in The Water Works, by Chas. S. Denman..... 181
Practical Application of New Jersey Sewage Experiments, by Weston Gavett and Richard H. Gould 43
Preventing Increase in Auto Accidents..... 231
Problem, The Town Road, by N. J. Isabella... 318
Proportioning Concrete by Water Cement Ratio, by W. C. Mabee..... 32
Public Water Supply, Lake Erie as a, by Howell Wright 211
Pulverized Fuel in The Water Works Power Plant, Use of, by Charles S. Denman..... 181
Pumping Equipment at Grade Separations, Automatic 63
Purification Practice in Ohio, New Features of Water, by F. H. Waring..... 308

Railroad Grade Crossings in New York, Elimination of, by Alfred E. Smith..... 178
Railway and Highway Transportation Coordinating, by Frank H. Alfred..... 110
Railway and The City Plan, The, by C. F. Loweth 256
Recent Developments in Activated Sludge Process of Sewage Treatment, by Walter C. Roberts 205
Recent Results of Highway Research in Illinois, by V. L.Glover..... 50
Recreation Survey of Buffalo..... 261
Refunds, Pertaining to Road Contractors, Gasoline Tax, by A. N. Bobbitt..... 373
"Regulation," an Unconventional View of, by David A. Reed..... 122
Repair Cost of Rural Pavements, by Frank A. Thomas 288
Research in California, Highway, by R. M. Morton 73
Research in Michigan, Highway, by V. R. Burton 342
Research in New Jersey, Highway, by G. Roland Moore 75
Research in Ohio, Soil, by F. H. Eno..... 10
Research in Texas, Highway, by Doak Rainey 72
Research, Recent Developments in Asphalt Pavement, by Prevost Hubbard..... 61
Reservoir of Gasoline Engine, Cleaning Oil, by G. S. Hamilton..... 62
Resources, National Policy in Development of Water, by Herbert Hoover..... 251
Results of Highway Research in Iowa, by R. W. Crum 58
Revenues, New York Municipalities and Motor 195
Rivers for Michigan, Clean..... 128
Road and Street Improvements, Officials to Discuss 198
Road Bond Issue Suggested, Federal..... 127
Road Bonds, Validating Texas, A Criticism and a Suggestion, by Wm. R. Watkins..... 21
Road Building in North Carolina, Results of Five Years of State, by Frank Page..... 332
Road Congress, Conclusions Adopted by International 237
Road Construction, Stone and Gravel, by J. W. Hoover 145

Road, Experimental, In Virginia, by C. A. Hogentogler 229
Road Problem, Alabama's 326
Road Problem, The Town, by N. J. Isabella ... 318
Road Programs, Need for Comprehensive County, by J. J. Ermatinger 166
Road Show of American Road Builders' Association, Convention and 343
Road Show, Plans for 1927 139
Road Show and School, Annual Southwest 194
Road Test Truck, North Carolina, by H. B. Shaw 68
Road Work in Indiana, Bituminous Macadam and Surface Treatment, by Earl B. Lockeridge 134
Roads, Binder Materials for Gravel and Stone, by C. L. McKesson 320
Roads, Design of Concrete, by H. E. Surman .. 261
Roads in Kansas, Modified Earth, by W. A. Stacey 46
Road in Michigan, Experimental Sand-Clay, by A. R. Bailey 53
Roads in Wisconsin, Maintenance of Gravel, by N. M. Isabella 5
Roads, Use of Lime in Earth, by H. W. Wood, Jr. 104
Roadside Advertising, Argument Against 196
Roadside Markets 126
Rural Highways, City Type Pavement on, by Henry Brevoort Smith 345

Safety, Building Highways for, by Prof. S. S. Steinberg 209
Safety Considerations in Highway Design, by Sidney J. Williams 85
St. Louis, A Remarkable Paving Experience, Lindell Boulevard 65
Salesmen Travel Cheaper by Auto 126
Sewage, Chlorination of, by Earle B. Phelps .. 23
Sewage Disposal, Developments in Methods of, by C. G. Gillespie 169
Sewage Experiments, Practical Application of New Jersey, by Weston Gavett and Richard H. Gould 43
Sewage Plant at New Rochelle, N. Y. 80
Sewage Sludge on Glass Covered Sand Beds, Air Drying of, by Floyd G. Brown and Frank Woodbury Jones 38
Sewage Treatment Program at Chicago, by Langdon Pearse 118
Sewage Treatment, Recent Development in Activated Sludge Process of, by Walter C. Roberts 205
Sewage Works Design at Chicago, by L. C. Whittemore 137
Sewer in Greater New York, Construction of Largest, by Frank W. Skinner 150
Show and School, Annual Southwest Road 194
Show, Plans for 1927 Road 139
Signals, New System of Police 64
Sludge Process of Sewage Treatment, Recent Developments in Activated, by Walter C. Roberts 205
Snow Removal from Highways, Economy of, by W. A. Van Duzer 273
Soil Research in Ohio, by F. H. Eno 10
Solving the Traffic Problem at Minimum Expense, by W. Graham Cole 351
South Carolina Tests on Reinforced Concrete Pipe, by A. E. Warren 144
Southwest Road Show and School, Annual 194
Specifications, "Black Base" and its Place in, by Hugh W. Skidmore 295
State Highway Organization and Administration, Notes on 106
State Highway Systems, Planning, by J. G. McKay 328
State Road Building in North Carolina, Results of Five Years of, by Frank Page 332
State Street Lighting, Chicago 215
Stone and Gravel Road Construction, by J. W. Hoover 145
Stone Roads, Binder Materials for Gravel and, by C. L. McKesson 320
Stream Pollution, Investigations of, by W. H. Frost 15
Street Improvements, Officials to Discuss Road and 198
Street Lighting, Chicago, State Street 215
Street Lighting, Florida 64
Street Lighting, Ornamental 128
Street Lighting Pays for Itself, by L. A. S. Wood 202
Street Lighting Units for Chicago 128
Street Pavement Design in Akron, Ohio, by E. A. Kemmler 148
Studying Highway Finance in New Jersey 193
Subgrade Preparation, Mixing, Laying, Finishing Concrete Highway Paving, Cost of, by L. F. Collingnon 327
Substructure Excavation, A 148,000 yd., by Frank W. Skinner 240
Super-Safety Protection for Hudson Tunnel Users 294
Surface Cracks in Green Concrete, by T. J. Vitcenda 69
Surface Treatment by Hot Application Method, by N. S. Anderson 267
Surface Treatment of Macadam and Gravel Roads, by Jno. N. Mackall 1
Survey, The Successful Sanitary Water, by Isador W. Mendelsohn 223

Tax Plan, The Practical Workings of the The Indiana, by Philip Zoercher 94
Tax Refunds, Gasoline, Pertaining to Road Contractors, by A. N. Bobbitt 373
Texas, Highway Research in, by Doak Rainey 72
Texas, Land Reclamation in 126
Texas Road Bonds, Validating, A Criticism and a Suggestion, by Wm. R. Watkins 21
The City Traffic Problem, by W. P. Cottingham 131
The Clique 128
The General Phases of Diesel Power Applications, by R. H. Bacon 129
The Royal Order of Never Again, by Clark R. Mandigo 152
Timber for Highway Bridge Floors, Concrete vs., by O. L. Grover 364
Tonganoxie, Kansas, Development of Water Supply at, by C. A. Shockley 321
Traffic Lights, Improvement in, by 64
Traffic Problem at Minimum Expense, Solving the, by W. Graham Cole 351
Traffic Problem, The City, by W. P. Cottingham 131
Traffic Regulation, Popularize 222
Traffic, Using Pavement Markings to Direct ... 200
Transportation, Coordinating Railway and Highway, by Frank H. Alfred 140
Travel Cheaper by Auto, Salesmen 126
Trolley Car, Bus Supplanting 20
Truck, North Carolina Road Test, by H. B. Shaw 68
Truck Regulation in Iowa, Bus and, by Dwight Lewis 76
Tunnel Users, Hudson, Super-Safety Protection for 294

Using Pavement Markings to Direct Traffic ... 200
Utility Customer, The, by G. C. Staley 303

Validating Texas Road Bonds, A Criticism and a Suggestion, by Wm. R. Watkins 21
Virginia, Experimental Road in, by C. A. Hogentogler 229

Water Filters at Buffalo, N. Y., New, by Wellington Donaldson 187
Water Filters at New Orleans, Features of New, by John I. Porter 214
Water Purification Practice in Ohio, New Feature of, by F. H. Waring 308
Water Resources, National Policy in Development of, by Herber Hoover 251
Water Softeners for Domestic Use, Zeolite, by W. C. Hirn and E. F. Eldridge 29
Water Supplies, Trend Toward Better, by Wellington Donaldson 109
Water Supply at Tonganoxie, Kansas, Development of, by C. A. Shockley 321
Water Supply, Lake Erie as a Public, by Howell Wright 211
Water Survey, The Successful Sanitary, by Isador W. Mendelsohn 223
Water Through Culverts, Flow of 25
Water Works, Accounting Methods for, by Harold D. Smith 11
Water Works Power Plant, Use of Pulverized Fuel in the, by Chas. S. Denman 181
Water Works Projects, Financing, by C. N. Phillips 162
Welded Pipe Line Construction, Oakland, Calif., by John B. Abell 28
Wisconsin, Cement Testing in, by T. J. Vitcenda 197
Wisconsin, Grade Crossing Elimination Plans in, by J. T. Donoghey 227
Wisconsin, Maintenance of Gravel Roads in, by N. M. Isabella 5

Zeolite Water Softeners for Domestic Use, by W. C. Hirn and E. F. Eldridge 29
